**THE GRAND JURY OF THE COUNTY OF NEW YORK**, by this indictment, accuses the defendants **ISLAMIC REPUBLIC OF IRAN SHIPPING LINES** (a.k.a. ARYA SHIPPING COMPANY, a.k.a. IRI SHIPPING LINES, a.k.a. IRISL, a.k.a. IRISL GROUP), **HAFIZ DARYA SHIPPING LINES** (a.k.a. HDS LINES), **SAFIRAN PAYAM DARYA SHIPPING COMPANY** (a.k.a. SAPID SHIPPING CO), **ASIA MARINE NETWORK PTE. LTD.** (a.k.a. **MOGHADDAMI FARD, ALIREZA DAVOUDZADEH, IRINVESTSHIP LTD., FAIRWAY SHIPPING LIMITED, and MOHAMMAD HADI PAJAND** of the crime of Conspiracy in the Fifth Degree, in violation of Penal Law §105.05(1), committed as follows:

The defendants, in the County of New York and elsewhere, from on or about September 10, 2008 to on or about January 10, 2011, with the intent that conduct constituting a felony be performed, agreed with other persons known and unknown to the Grand Jury to engage in and cause the performance of such conduct.

### **I. Introduction to the Conspiracy**

The Grand Jury finds that at all times relevant to this indictment, **ISLAMIC REPUBLIC OF IRAN SHIPPING LINES** (a.k.a. ARYA SHIPPING COMPANY, a.k.a. IRI SHIPPING LINES, a.k.a. IRISL, a.k.a. IRISL GROUP) (“IRISL”) was the state-sponsored shipping line of the Islamic Republic of Iran (“Iran”). IRISL operated throughout the world, in major shipping centers, including Singapore, the United Arab Emirates (“UAE”), and the United Kingdom (“UK”). IRISL contracted for the construction of merchant ships, owned and operated ships under various national flags, and undertook shipping operations around the world under the control of the government of Iran. IRISL’s operations were executed through a network of subsidiaries and agents, including, among others, defendant ASIA MARINE NETWORK PTE. LTD. (a.k.a. ASIAN PERFECT MARINE PTE. LTD., a.k.a. IRISL ASIA PTE. LTD.) (“ASIA MARINE”) in Singapore, defendant OASIS FREIGHT AGENCIES (a.k.a. OASIS FREIGHT AGENCIES LLC) (“OASIS FREIGHT”) in the UAE, and defendant IRINVESTSHIP LTD. (“IRINVESTSHIP”) in the UK.

On September 10, 2008, the Office of Foreign Assets Control (“OFAC”) of the United States Department of the Treasury sanctioned – or “designated” – IRISL, ASIA MARINE, OASIS FREIGHT, and IRINVESTSHIP, among other entities, as proliferators of weapons of mass destruction. As explained more fully below, the designation by OFAC was designed to disrupt the economic operations of IRISL, its regional offices and their subsidiaries and agents; and in fact did interfere with their ability to conduct global business. Beginning on or about September 10, 2008, IRISL, ASIA MARINE, OASIS FREIGHT, and IRINVESTSHIP began using alias names and shell companies to gain access to the United States financial system to continue conducting their financial operations. Specifically, IRISL used the following defendant companies as aliases or corporate alter egos continue its

operations: HAFIZ DARYA SHIPPING LINES (a.k.a. HDS LINES) (“HDS LINES”) and SAFIRAN PAYAM DARYA SHIPPING COMPANY (a.k.a. SAPID SHIPPING CO) (“SAPID SHIPPING”). ASIA MARINE in Singapore used the following defendant companies as aliases or corporate alter egos to access U.S. financial institutions illegally: SINOSE MARITIME PTE. LTD. (“SINOSE MARITIME”) and LEADING MARITIME PTE. LTD. (“LEADING MARITIME”). OASIS FREIGHT in the UAE used the following defendant companies as aliases or corporate alter egos for the same purpose: GREAT OCEAN SHIPPING SERVICES LLC (“GREAT OCEAN SHIPPING”) and PACIFIC SHIPPING COMPANY (“PACIFIC SHIPPING”). Finally, IRINVESTSHIP in the UK used the defendant company FAIRWAY SHIPPING LIMITED (“FAIRWAY”) as an alias or corporate alter ego for the same purpose.

During the time period of the conspiracy, the defendants engaged in illicit commercial transactions through correspondent bank accounts domiciled in New York County totaling in excess of \$60 million.

## **II. Introduction to Sanctions**

In 1977, the U.S. government enacted the International Emergency Economic Powers Act (“IEEPA”), set forth in Title 50, sections 1701-1706 of the United States Code. IEEPA empowers the President of the United States to impose certain measures, including economic and trade sanctions, embargos, and other actions, in response to unusual and extraordinary threats to the national security, foreign policy, or economy of the United States when the President declares a national emergency with respect to such threats. For purposes herein, sanctions can be broken down into two broad categories: (a) country-based sanctions, such as those imposed on Iran; and (b) sanctions, or designations, imposed on individuals and entities for specific targeted misconduct, such as the proliferation of weapons of mass destruction.

### **A. Iranian Sanctions**

In 1987, President Ronald W. Reagan issued Executive Order 12613, which imposed an embargo on goods and services of Iranian origin. Between 1995 and 1997, President William J. Clinton issued Executive Orders 12957, 12959, and 13059, which strengthened the existing U.S. sanctions against Iran imposed pursuant to, inter alia, Section 505 of the International Security and Development Cooperation Act of 1985. The combined effect of

the Executive Orders was to declare a national emergency with respect to the actions and policies of the government of Iran and, through the power conferred by IEEPA and other statutes, to prohibit virtually all trade and investment activities with Iran by U.S. persons or entities, regardless of where they are located, including, but not limited to, broad prohibitions on the importation and exportation of goods or services from or to Iran (collectively, the “Iranian Sanctions”). The President delegated the authority to implement the Iranian Sanctions to the United States Department of the Treasury, which does so through OFAC.

#### **B. Specially Designated Nationals and Proliferators of Weapons of Mass Destruction**

Pursuant to the powers authorized by IEEPA and other statutes, OFAC maintains a list of individuals and entities subject to financial and trade sanctions known as the “List of Specially Designated Nationals and Blocked Persons” (“SDN List”). The SDN List includes persons supporting terrorist activities, international narcotics kingpins, and those engaged in activities related to the proliferation of weapons of mass destruction. Individuals and entities included on the list are collectively called “Specially Designated Nationals” or “SDNs,” and they are referred to as having been designated. Generally, U.S. persons and institutions are prohibited from financial dealings with SDNs. Any property of an SDN in the possession of a U.S. person and any transaction by an SDN with a U.S. person must be “blocked” and seized.

On June 28, 2005, President George W. Bush issued Executive Order 13382, entitled “Blocking Weapons of Mass Destruction Proliferators and their Supporters.” This Executive Order generally prohibits all access to the U.S. financial system by designated persons and entities. Pursuant to Executive Order 13382, Title 31, Section 544 of the United States Code prohibits transactions of property and property interests of individuals and entities, and their supporters, engaging in the proliferation of weapons of mass destruction. Specifically, it applies sanctions to those individuals and entities providing direct or indirect financial, material, or technological support to these prohibited transactions and blocked property.

### **C. Designations by OFAC of IRISL and its Related Entities**

On September 10, 2008, IRISL and three of its regional offices (ASIA MARINE, OASIS FREIGHT and IRINVESTSHIP) were designated by OFAC pursuant to Executive Order 13382 as proliferators of weapons of mass destruction. Thus, from on or about September 10, 2008, IRISL, ASIA MARINE, OASIS FREIGHT, and IRINVESTSHIP were prohibited from accessing the U.S. financial system or otherwise engaging in business dealings with U.S. persons and entities. Also designated by OFAC on that day were 15 additional IRISL-related entities and 123 related vessels.

From in or about August 2010 through in or about February 2011, OFAC designated an additional 109 entities and individuals related to IRISL, as well as additional vessels, pursuant to Executive Order 13382. These designations included defendants HDS LINES and SAPID SHIPPING on June 16, 2010. Again, these designations were designed to interrupt IRISL's business operations, and with each new sanction, IRISL and the other defendants created or utilized companies to serve as aliases or corporate alter egos.

### **D. Designations by the United Nations and European Union**

In some instances entities sanctioned under U.S. law are also designated or sanctioned by the United Nations ("UN") or the European Union ("EU"). The effect is the same insofar as designated entities cannot lawfully use banking systems in countries recognizing and adopting those sanctions. The UN and EU have taken action against IRISL and related entities. UN Security Council Resolution 1803 (2008) called upon all States "... to inspect the cargoes to and from Iran, of aircraft and vessels, at their airports and seaports, owned or operated by Iran Air Cargo and Islamic Republic of Iran Shipping Line . . . ." UN Security Council Resolution 1929 (2010) designated three entities owned by, controlled by, or acted on behalf of IRISL. Similarly, the EU adopted Regulation (EU) No 668/2010 of July 26, 2010, which obligates Member States "to freeze economic resources of designated entities of the Islamic Republic of Iran Shipping Lines (IRISL)." These entities include IRISL, all of its branches and subsidiaries, HDS LINES, and SAPID SHIPPING. In addition, EU Council Decision 2010/644/CFSP of October 25, 2010 expanded the designations to include LEADING MARITIME for "act[ing] on behalf of [HDS LINES] in Singapore" and OASIS FREIGHT for "act[ing] on behalf of IRISL in the UAE" and "act[ing] on behalf of [HDS LINES]."

### **III. The Impact of IRISL's Designation and the Role of the U.S. Financial System in International Transactions**

In many aspects of global commerce, including the international maritime industry, contracts and payments are denominated in U.S. dollars. Such U.S. dollar transactions are primarily executed, or “cleared,” through correspondent banks in the United States. The U.S. dollar clearing operations for many large U.S. financial institutions are processed through correspondent bank accounts domiciled in New York County. This was true for the banks that were deceived into processing wire payments on behalf of the defendants as charged in this indictment.

Once designated, IRISL and its known regional offices and agents could no longer engage in any commercial transactions with U.S. persons or entities, nor could they access the U.S. financial system in any manner whatsoever. These restrictions presented significant problems for IRISL because, without access to U.S. financial institutions, IRISL could not make or receive U.S. dollar payments relating to its commercial activities. U.S. financial institutions are obligated to follow and enforce U.S. sanctions, and they must block any payments sent by or to any of the IRISL-related entities. Indeed, in the months following the designation of IRISL, ASIA MARINE, OASIS FREIGHT, and IRINVESTSHIP, U.S. correspondent banks blocked a number of these entities’ wire transfers. For example, between on or about September 24 and 25, 2008, three different German companies attempted to send wire transfers to an account held by OASIS FREIGHT at a bank in Dubai, UAE. These three wire transfers were blocked by a correspondent bank in New York County and reported to OFAC.

U.S. financial institutions use automated systems to screen the text of all incoming and outgoing international wire transfers. These monitoring systems, commonly referred to as “OFAC filters,” are designed to recognize suspicious or prohibited transactions, including inbound and outbound fund transfers involving sanctioned countries and SDNs. These financial institutions have extensive compliance networks to ensure that they do not execute transactions on behalf of any sanctioned country or SDN. The compliance networks go beyond adherence to OFAC regulations and endeavor to protect the financial institutions from processing transactions that run contrary to their core business principles.

If a U.S. financial institution finds that a wire transfer originates from or is intended to benefit an SDN designated under OFAC’s non-proliferation of weapons of mass

destruction program, the transfer would be blocked and the funds seized. In addition, the U.S. correspondent banks are required to maintain records of all OFAC violations and to file a written report with OFAC within ten days of the violation.

In order to deceive and bypass these OFAC filters, SDNs designated under OFAC's non-proliferation of weapons of mass destruction program must falsify, or cause to be falsified, the originator and/or beneficiary information in wire transfers. In other words, by omitting or falsifying data regarding their roles as the true originators or beneficiaries, SDNs are able to send and receive wire transfers that would otherwise be blocked by U.S. financial institutions. Through the fraudulent use of a web of subsidiary entities and front companies, IRISL and the other defendants were able to deceive U.S. financial institutions and maintain their access to the U.S. financial system.

#### **IV. Background of the Defendants**

As an international shipping company, IRISL conducted its business through regional offices and agencies throughout the world. Three of the countries in which IRISL operated are Singapore, the UAE, and the UK. Following their designations on September 10, 2008, IRISL, ASIA MARINE, OASIS FREIGHT, and IRINVESTSHIP employed a network of aliases or corporate alter egos, or they used existing companies to continue IRISL's business operations.

##### **A. Singapore**

After their September 10, 2008 designations, IRISL and ASIA MARINE in Singapore were prohibited from accessing the U.S. financial system. Subsequently, IRISL and ASIA MARINE continued to operate in Singapore through two aliases or corporate alter egos, SINOSE MARITIME and LEADING MARITIME. Both SINOSE MARITIME and LEADING MARITIME also served as agents of HDS LINES. Additionally, LEADING MARITIME served as an agent SAPID SHIPPING. Defendant CHEONG KHENG GUAN was the Managing Director of SINOSE MARITIME and was also the Director of LEADING MARITIME.

As early as March 2006, CHEONG KHENG GUAN outlined plans for a joint venture between SINOSE MARITIME and ASIA MARINE in a document entitled "Business Plan (3 Years)." In or about April 2006, CHEONG KHENG GUAN

transmitted a business profile for SINOSE MARITIME that referenced the joint venture and stated, “The Islamic Republic of Iran Shipping Lines (IRISL) has insisted that Sinose Maritime Pte Ltd have a joint venture with them in Singapore....” The profile went on to explain the exclusive relationship between SINOSE MARITIME and IRISL. Further details emerged from CHEONG KHENG GUAN later that year as he planned to create a company in Singapore that would be controlled by four directors: two from ASIA MARINE and two from SINOSE MARITIME.

Approximately two years later, on or about September 18, 2008, LEADING MARITIME was established in Singapore and comprised of employees from both ASIA MARINE and SINOSE MARITIME. The relationship between ASIA MARINE, SINOSE MARITIME, and LEADING MARITIME is demonstrated in documents submitted to a commercial bank in Singapore (referred to hereinafter as “Singapore Bank A”) for the opening of a U.S. dollar account in the name of “LEADING MARITIME PTE. LTD” on or about September 18, 2008. Two of the account signatories, CHEONG KHENG GUAN and ALIREZA GHEZELAYAGH, were also employees of SINOSE MARITIME and ASIA MARINE, respectively.

From on or about September 12, 2008 to on or about March 19, 2010, approximately 23 wire transfers involving SINOSE MARITIME in the approximate amount of \$18,129,437.77 were cleared through the correspondent accounts of financial institutions in New York County, thereby causing the falsification of the business records of those financial institutions. All of these wire payments were sent to or from entities subsequently designated by OFAC as proliferators of weapons of mass destruction, their agents, or defendant FAIRWAY.

From on or about August 17, 2009 to on or about June 23, 2010, approximately 97 wire transfers involving LEADING MARITIME in the approximate amount of \$23,704,835.47 were cleared through the correspondent accounts of financial institutions in New York County, thereby causing the falsification of the business records of those financial institutions. All of these wire transfers either: (i) originated from LEADING MARITIME’s account at Singapore Bank A; or, (ii) were sent to or from entities subsequently designated by OFAC as proliferators of weapons of mass destruction, their agents, or defendant FAIRWAY.

### **B. United Arab Emirates**

After its September 10, 2008 designation, OASIS FREIGHT was prohibited from accessing the U.S. financial system. The solution for OASIS FREIGHT in the UAE was the same as that for ASIA MARINE in Singapore: companies were employed to act as aliases or corporate alter egos for OASIS FREIGHT. Two companies, GREAT OCEAN SHIPPING and PACIFIC SHIPPING, acted on behalf of OASIS FREIGHT. In the UAE, GREAT OCEAN SHIPPING was an agent of HDS LINES, and PACIFIC SHIPPING was an agent of both HDS LINES and SAPID SHIPPING.

Employees took on roles within multiple companies. For example, ALIREZA DAVOUDZADEH was the Operations Director of both GREAT OCEAN SHIPPING and PACIFIC SHIPPING. MOGHADDAMI FARD was the Managing Director of both OASIS FREIGHT and PACIFIC SHIPPING.

From on or about March 18, 2010 to on or about March 31, 2010, approximately three wire transfers involving GREAT OCEAN SHIPPING in the approximate amount of \$76,050.00 were cleared through the correspondent accounts of financial institutions in New York County, thereby causing the falsification of the business records of those financial institutions. All of these wire payments were from an entity subsequently designated by OFAC as a proliferator of weapons of mass destruction.

From on or about November 2, 2009 to on or about May 26, 2010, approximately five wire transfers involving PACIFIC SHIPPING in the approximate amount of \$5,200,000.00 were cleared through the correspondent accounts of financial institutions in New York County. All of these wire payments were sent to or from entities subsequently designated by OFAC as proliferators of weapons of mass destruction, their agents, or defendant FAIRWAY.

### **C. United Kingdom**

After its September 10, 2008 designation, IRINVESTSHIP was prohibited from accessing the U.S. financial system. Less than a month later, a company called FAIRWAY used the same address as that of IRINVESTSHIP, and began conducting U.S. dollar wire transfers. MOHAMMAD HADI PAJAND was the Managing Director of FAIRWAY and also an employee of IRINVESTSHIP. He was designated by OFAC as an SDN on

November 30, 2010 pursuant to OFAC's non-proliferation of weapons of mass destruction program.

From on or about October 30, 2008 to on or about March 1, 2010, approximately 36 wire transfers involving FAIRWAY in the approximate amount of \$16,398,598.70 were cleared through the correspondent accounts of financial institutions in New York County, thereby causing the falsification of the business records of those financial institutions. All of these wire payments were sent to or from entities subsequently designated by OFAC as proliferators of weapons of mass destruction and their agents.

## **V. Overt Acts**

In the course and in furtherance of the conspiracy, the conspirators and their agents committed and caused to be committed, in the County of New York and elsewhere, the following overt acts:

1. On or about February 23, 2009, an IRISL container line manager communicated the following: "We have changed names of all of our ships into English names. We will also be able to use leased containers instead of IRSU containers for this traffic. So no trace of IRISL at all in documentation. Nonetheless our present agents will be doing the work."
2. On or about January 17, 2010, an HDS LINES general manager circulated an HDS LINES agent contact list to employees of LEADING MARITIME, PACIFIC SHIPPING, and other agents of HDS LINES. This directory included a list of general and worldwide agents of HDS LINES organized by country, including, but not limited to, SINOSE MARITIME, LEADING MARITIME, GREAT OCEAN SHIPPING, and PACIFIC SHIPPING. For each agent listed, employee contact information was provided. Named on this list were CHEONG KHENG GUAN, Managing Director of SINOSE MARITIME; ALIREZA GHEZELAYAGH, CEO of LEADING MARITIME; and ALIREZA DAVOUDZADEH at PACIFIC SHIPPING.

**A. IRISL in Singapore: IRISL, ASIA MARINE, CHEONG KHENG GUAN and ALIREZA GHEZELAYAGH Used the Alias or Corporate Alter Ego SINOSE MARITIME**

The terms of the agreement required the buyers to pay a deposit of 20% of the purchase price (calculated as \$408,441.75) within three days of signing the agreement.
6. On or about February 2, 2009, SINOSE MARITIME received a wire transfer of \$408,441.75, an amount equal to 20% of the purchase price for the sale of the vessel “M/V I Nabuvat.” The wire details stated, “DEP FOR VESSEL I NABUVAT PER MEMO OF AGREEMENT DTD 29JAN09.” The wire payment was cleared through correspondent accounts of financial institutions in New York County.
